From the Farmer Board School is to live with the times, adjusting the curriculum to meet the needs, the needs of the teachers, and the needs of the community were only a few of the many tasks of the school board. And yet, they received no pay for their work and often long hours of volunteer service. They gave freely of their time and effort to improve conditions in our schools. They were a group dedicated to young people and their interests.

## TRUSTEESHIP IN PUBLIC EDUCATION

Nearly half of the men and women who make up the school boards of this country, it may be said, are paid by the public for the service they perform. American enterprise is too often criticized for its lack of public service, but what it is, a major stabilizing power of American democracy.

The school board is the body that directs one of our largest national projects—one that involves the management of available property, the annual expenditure of large sums of money, the employment of a large number of teachers and tens of thousands of other employees. Few industries require a larger capital investment, give employment to more people than do the nation's schools. But the most important fact is that this great public enterprise serves directly about thirty million Americans, and touches the lives of millions of men and women. No industry is concerned with a product so vital.

In the school, too, the small enterprise is one of the relatively large business enterprises, with its plant, its property, and a program that affects nearly every home. Working with the few materials of a few materials, the school produces the fabric of responsible citizenship in a free society. Its effectiveness is determined not so much from the size of its output, as from the ability, activity, and vision of the people. Nationally and locally, the work of the school board member is of first importance.

# Senior Memories

In September 1958 the class of 1962, one hundred seventy-two strong, entered the halls of LUHS. We made it through "Frosh Initiation" and became full fledged LUHS citizens. The girls will remember being "little sisters" and the Big and Little Sister Picnic.

As sophomores we chose our class rings, proudly served at the Junior-Senior Banquet, and gathered flowers for Baccalaureate and Commencement. In true LHS spirit we helped take league in football, wrestling, and baseball. We were all looking forward to our junior year because we could finally wear our class rings and do many other things restricted to upperclassmen.

Our first senior project was the magazine sales, the next was the junior play, "The Whole Town's Talking." Six of us were asked to join Sasi, and eleven of us were initiated into National Honor Society. We began that night a series of tests that lead to college. The main ones taken were the National Merit and the Preliminary Scholastic Aptitude.

Meanwhile the boys had become State AA Champs in basketball, District Champs in wrestling and League Champs in baseball. To top off a perfect year the prom, which was given in honor of the seniors of 1961, had the theme of "Cafe Paree." The blue streamers with silver stars, the long wall mural of a sidewalk cafe, Jimmy Howard's band, and the intermission program will long be remembered by all who helped make it a success.

As seniors we were warned about "senioritis." We took more tests including the Scholastic Aptitude, the American College, and the Joint Honor. Six more of us were asked to join Sasi and five were initiated in the National Honor Society.

We became State AA Football Champs, took second in the State AA Basketball finals, were District Wrestling Champs, and League Baseball Champs. How exciting will long be remembered as that special Thursday night when the Pep band gathered, stars were hoisted upon shoulders, and the cheerleaders led the student body downtown for a pep rally and then to a free show.

The result of two months work by devoted members of the cast was a really terrific senior play, "The Little Dog Laughed." The prom, "Rancho County" was all we could ask for, and the fun afterwards will long be remembered. Thank you, Juniors.

With finals and Baccalaureate behind us we delightedly headed for Star Ranch. What a riot! Then came graduation and we suddenly realized that four years of fun and work were ended. Our colors, lavender and white with the lavender orchid as our flower will always be something a little special. The longer we are away, the more our class motto, "We've crossed the bay; the ocean lies before us," will mean to each of us.

# Class of "63"

Leading during this active year were Rick Brase, president, Kenny Buxton, vice-president, Carla Thurow, who carried the responsibilities of secretary; and Rocky Bryson, treasurer.

Our class play, "Time Out for Cinger," was a financial success. We also earned money for the prom and our senior trip from magazine sales and football concessions. Representing us at the State Student Council meeting at Fort Collins were Linda Etter and Rick Brase. Linda was elected State Secretary. Many honors were bestowed upon us this year. Sandy May, Sue Midkiff, and Jackie Guhen were cheerleaders and Bev Hallock was "Little Savage." Janice Venn and Linda Etter were selected as twirlers.

Seniors were elected to National Honor Society - Gerald Dellinger, Bill Milne, Randy Eddy, Bill Reish, Alan Barkby, Larry Manning, Carla Thurow, Jaynese Hazel, Linda Etter, Sue Midkiff, and Jackie Guhen. Those chosen for Sash were Alan Barkby, Gerald Dellinger, Bill Milne, Sue Midkiff, Linda Etter and Royetta Sublett.

Student body elections were held April 17. After a spirited campaign Rick Brase and Carla Thurow won the offices and will preside as Head Boy and Girl for the year 1962-63. On April 28 we honored the seniors with a "Raintree County" prom.

Junior girls enter into the spirit of a good ball game.

Darla and Linda seem very interested in Sue's story.

Half the fun of putting on a play is the back stage activities.

Linda and Beverly display perfect poise and grace.

A bit wiser than a year ago we entered into the fun of our Sophomore Year with zest and enthusiasm. This was a "studying" year - with schedules including English, Geometry, Latin, World History, Biology, etc. We lugged huge stacks of books home each night. Fun had to be temporarily abandoned in pursuit of knowledge. Most of us felt it was good to get some heavy academic subjects out of the way since next year as upper classmen we'd have extra duties and responsibilities besides heavy class schedules.

Although the Sophomore year in high school is generally termed "dead year," we nevertheless came through with that fighting spirit. We were always on hand at pep assemblies, games, dances, to do our part and share the fun. We captured our share of honors, kept a few names on the honor rolls and were proud of the Sophs who managed to become a part of our winning athletic teams.

Tressa Moor was elected student body secretary for the 1962-63 year. As is the custom some of us were selected to help at the Junior-Senior Prom. Then there were the usual end of school activities including the All-School picnic and very soon we were engulfed in summer vacation activities.

## NHS Initiation — Impressive and Meaningful

One of the highest honors the faculty can bestow upon any student is the approval for membership in the National Honor Society. After pledging themselves to uphold the four characteristics of character, scholarship, leadership, and service, these students received the pins and cards proclaiming them to be honor students.

While this group as an organization is not particularly active, each member must strive to keep his grades, display leadership and render outstanding service to our school. Besides conducting the impressive candlelight ceremony to take in new members, the group attended the League picnic at Rocky Ford. They also held their annual breakfast. Sherry Statler was president of the organization, Sue Henry vice-president, Liz Painter secretary, and George Ritcher treasurer. Mr. Gene Kruse was their sponsor.

"SASI"

## Senior Seminar Discussion Group

A relatively new organization at LHS is the Senior Seminar, "Sasi." It was organized to give capable students the opportunity to meet together for stimulating discussions on a variety of exciting subjects. The group listened to tape recordings, records and as often as possible had live lectures. Discussions were led by Mr. Orval Clanton, their faculty sponsor.

Each spring six juniors are selected to form the nucleus of the group for the following year. Alan Birkby, Linda Etter, Gerald DeLinger, Sue Mckiff, Bill Milne and Sue Sublett became members after the first semester. Senior members were Carl Shinn, Scott Moor, Nikki Ritcher, George Idier, Sue Henry, Judy Reyher, Liz Painter, Susan Nye, Penny Kendall, Sherry Statler, Kent Williams, Lanning Likes, Dianne Lavender and Betty Read.

## Dramatics Club

The Dramatics club sponsored by Mr. Larry Pearson produced two plays at the La Junta Drama Festival.

President Judy Reyher, Vice-President Liz Johnston, Secretary Tim Buman, and Treasurer Sandy Sipes were the officers elected by the group.

The group also entertained the Zonta Club with one play and had charge of the National Education week radio skit.

Watch out, Judy!

## Thespians

The Thespians held their annual breakfast at the home of their president, Judy Reyher and initiated seven new members. Other officers not pictured were Maraleta Searl, Vice-President, and Dianne Lavender, Secretary-Treasurer. Mr. Earl Bradley was their sponsor.

New members were Kent Williams, Marsha Cook, Joyce Harker, Betty Fuller, Liz Painter, Jaynese Hiegel and Ron Adams.

The Council meets once a month to work on various projects. This year they sent a delegate to Pueblo to the State Red Cross Conference. A successful fund and membership drive was conducted early in the year.

A new Reading and Speech guide book for Melvin School was completed. At Christmas baskets of fruit were taken to the hospital and rest homes. They made pin cushions for the ladies and net sacks filled with cigarettes and nick-nacks for the men. They made letter holders and decorated clipboards for the patients at Fort Lyons Hospital.

The group enjoyed a picnic as their last activity of the year.

Judy Reyher, Susan Nye, Sue Andersen, Paula Johnson and Maraleta Searl attended a Taylor Publishing Company workshop held in Pueblo.

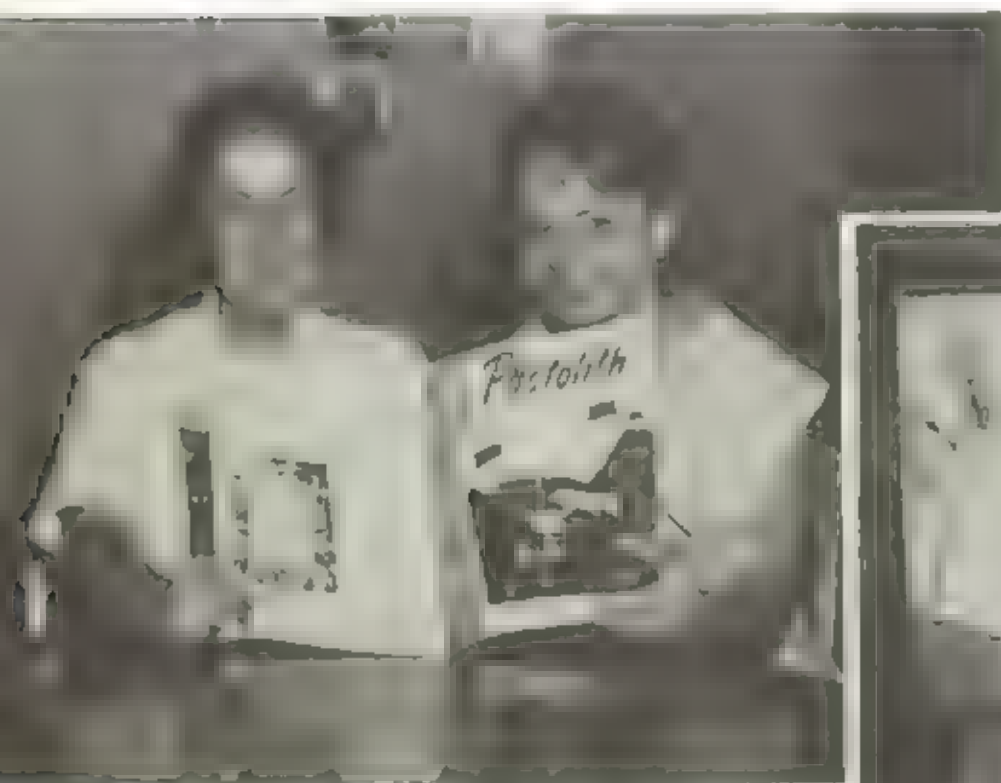

Co-Editors - Susan Nye and Sue Andersen seem very pleased to be on their way to the Post Office with a shipment of copy.

## 1962 Chieftain

Attempting to depict the LHS way of life in words and pictures, the 1962 CHIEFTAIN staff spent many hours planning and working. Before school started Co-Editors Susan Nye and Sue Andersen sent out letters to the merchants, organized a working staff, and began soliciting ads. Mrs. Lois Applegate was the sponsor.

It is the wish of the staff that every LHS student has a copy of the CHIEFTAIN, and we hope that in the coming years our efforts will help you recall many happy memories of your high school days.

Four sophomores, Susan Quinn, Paula Johnson, Liz Johnston and Pat Gifford, and one freshman, Linda Sue Fife, are learning how to plan and make up the annual.

This is the second year for the organization, the CANDY STRIPPERS, with Mrs. Virginia West as leader. All the girls now have the attractive red and white striped pinafores with white blouses, the official uniform. The group was sponsored by the Hospital Auxiliary. One of their activities included the presentation of a program for the auxiliary.

A number of the girls attended the Health Fair in Denver last November. Five went to Career Day at the State Hospital in Pueblo and took a guided tour of the hospital. They sold lines for the Crippled Children's Drive. They presented a program over the radio during hospital week, and they continued to help at the hospital whenever possible. As their activity of the year they had a picnic at Two Buttes and reported a real wonderful time.

The girls pictured are Carla Thurow, Marcia Benbrook, Norma Bentley, Suzanne Thompson, Royetta Sublett, Rosetta Miller, Linda Kenner, Judy Smith, Karen Schroeder, Nancy Henry, Betty Read, Cathy Dashner and Cody Thompson. The Pep Club supports all athletic events and no group does so much to promote school spirit. The teams depend upon these peppy girls to stand behind them, win or lose. The club selected Roger Morris as athletic king with Moe Vallejos, Randy Eddy and L. D. Elarton as attendants. These boys were crowned at the Pep Club's Spring dance given in honor of all athletes and their dates.

Seven girls were selected to lead the club as cheerleaders. All of them worked together during football season. Shown above with the Pep Club are Tressa Moor, Jackie Guihen, Mary Rose, Dianne Lavender and Jennifer Bray who led the girls for the basketball season. Sue Midkiff and Sandy May shown at left led the girls who cheered the wrestlers on to victory. Beverly Hallock was Little Savage this year.

# "L" Club

Boys who letter in a sport are eligible to belong to the Letterman's Club. Mr. Don O'Hare and Mr. Jack Rees co-sponsor this group. The boys sold advertising for the football and basketball programs as their first project of the year. The Orange Savage sweat shirts sold to students as a money-making project went like hot cakes. The guys also held a bake sale.

For the first time they set up an attractive booth in the hall and sold and distributed Valentines. The boy and girl receiving the most Valentines received a prize. We all enjoyed this activity and hope the club will make this a regular affair. The last activity of the year was the Annual "L" Club Picnic honoring the Pep Club girls. Everyone took a sack lunch to the park and then because of the weather went to the high school auditorium for a hilarious program by the members of the club.

The officers elected by the members are Roger Morris, President, Jesse Eddy, Vice-President, and Ricky Brase, Secretary-Treasurer. Members of the club elected are Bob Weathered, Dan Godinez, John Simler, Bill Reish, Rick Bryson, Bob Schumacher, Steve Bister, L. D. Flatt, Larry Mannaz, Moe Vailejos, Bill Broyles, Ray Jara, Carl Smith, Jamie O'Leary, Gerald DeLongor, Harold Smith, Frank Oviedo, Bill Malne, Larry Simmons, Jack Smith, Ronnie Pultz, Randy Eddy and Kenny Roe.

## AA STATE CHAMPIONS

The year 1961-1962 was a most successful year for the Savage Football Team. They had a 10 won - 1 lost record, a victory over a strong Pueblo Catholic Team that later won the State Parochial title, and an undefeated league season. They climaxed the victorious season with wins over Salida and Delta to win the State AA Football Championship.

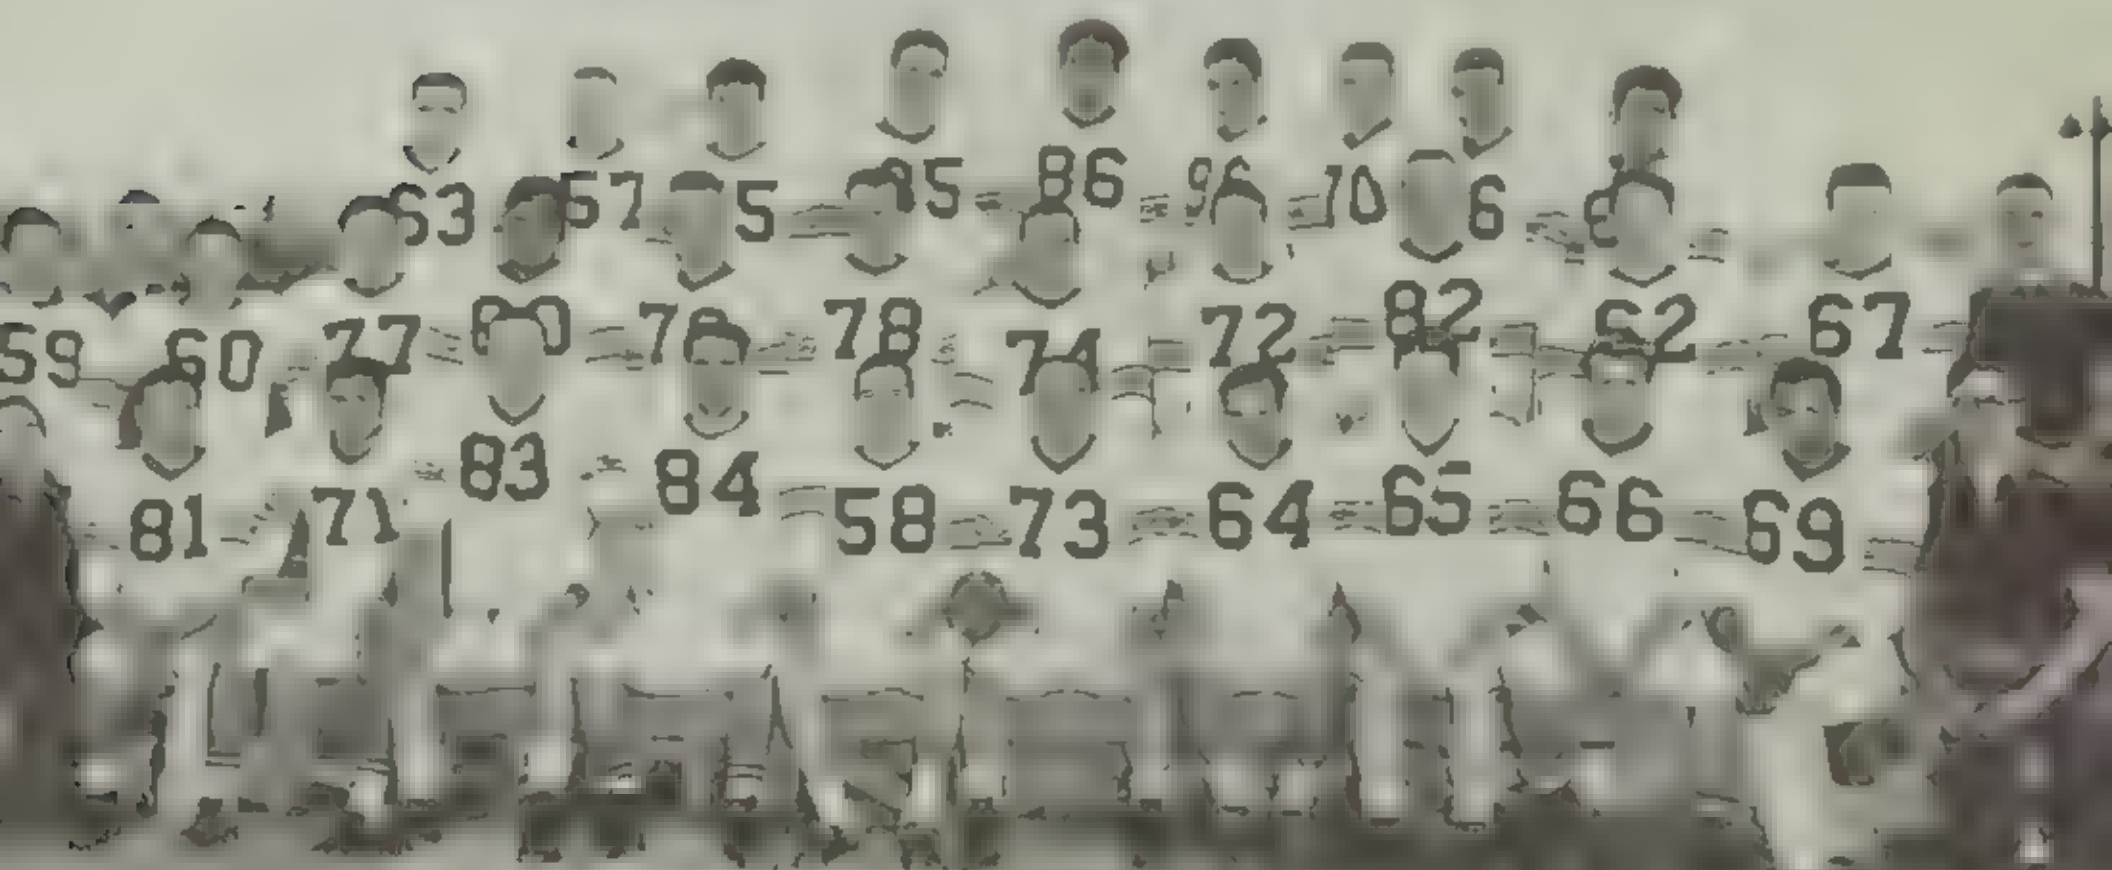

This veteran Savage Team improved with each game and played its best when the going was the toughest. The squad and its coaches have many sterling memories of outstanding team defensive effort, as the one at Delta following their recovery of an off sides kick. The explosiveness of the offense again is evidenced in the Delta game as they scored 28 points in six minutes.

The Savages received excellent support from interested townspeople, considerate parents, a loyal faculty and student body, a well-drilled band, a spirited pep club, and the best in cheerleaders.

# Savages Win State Runner-Up Honors

The 1961-62 Varsity Basketball team fell the last step in their battle to retain the State Championship Basketball crown won last year. The Savages were successful in the regional struggle to the State finals but were defeated 71-55 in the Championship game by an eager, accurate shooting team from Cortez.

The LHS hoopsters, guided by Coach Don O'Hare, ended the scheduled season with a 12-6 win-loss record and were second place in the 7-team Southern Colorado league with 9 wins, 3 losses. The traditional spirit and desire was evident as the Savages fought to the District Tournament Championship and the right to represent the league at Denver. Fine team play and outstanding support from the reserves contributed to victories over Rocky Ford, La Junta and favored Canon City. Last second shots decided the outcome in the exciting games with La Junta and Canon City.

The high-flying Varsity made a very impressive showing in their semi-final game against a tall, talented team from Brighton but could not effectively penetrate the tough zone defense used by the western-slope Cortez roundballers. The exciting and excellent season ended with the LHS athletes accepting the State Runner-up trophy.

The seniors graduating from the Varsity have helped raise Lamar to the top in basketball competition and have established a tradition that should set a challenge to all the boys who wear the basketball uniform in years to come.

The basketball program received a big boost when Coach Dick Gearhart was assigned the Junior Varsity basketball team. Coach Gearhart is a strict fundamentalist and his well-drilled Jr. Varsity compiled a 12-6 record and finished second in league competition. These boys are checked for their desire to improve, competitive spirit and willingness to work hard at all times. Perfecting the fundamentals of shooting, dribbling and passing under the watchful eye of Coach Gearhart goes a long way in determining the top 10 performers each season - the ultimate goal of all LHS players.

The demands and disciplines of Championship teams start with the Freshman program and Coach Art Klein. Coach Klein emphasizes the importance of basic fundamentals and instills in his charges the most looked-for characteristic of a high school basketball player - PRIDE. This is pride in his school, pride in his teammates and finally pride in his own ability as a player. The Freshmen had a 4-4 season improving all the way and finishing second in an 8-team Freshman tournament.

Receiving the Second Place trophy at State were: Coach Gearhart and O'Hare, Larry Simmons, Jamie Oxley, Moe Vallejos, Roger Morris, Manager Bob Schemanorn, Homer Strain, Eldon Elarton, Bill Milne, Carl Shan, Randy Eddy, Manager John Simler and Frank Oviedo.

Tom gets another fine take-down.

"Neck" Pultz lets his "third place in state" opponent know that he has come to wrestle.

Ricky nails down his La Junta opponent and adds another victory to his impressive record.

Senior Co-Captains, Jessie Eddy and Kenny Roe led the 1962 Grapplers to a fine record.

## District Co-Champions

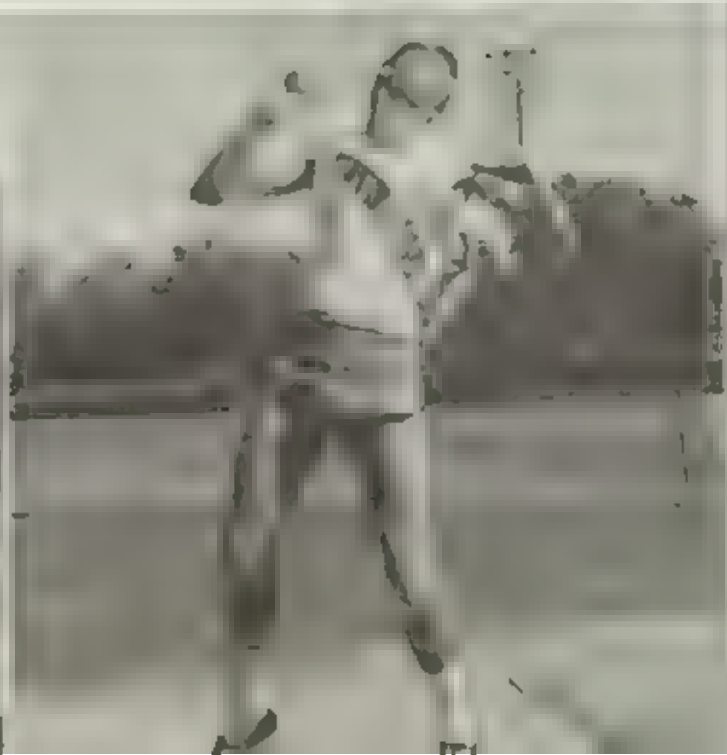

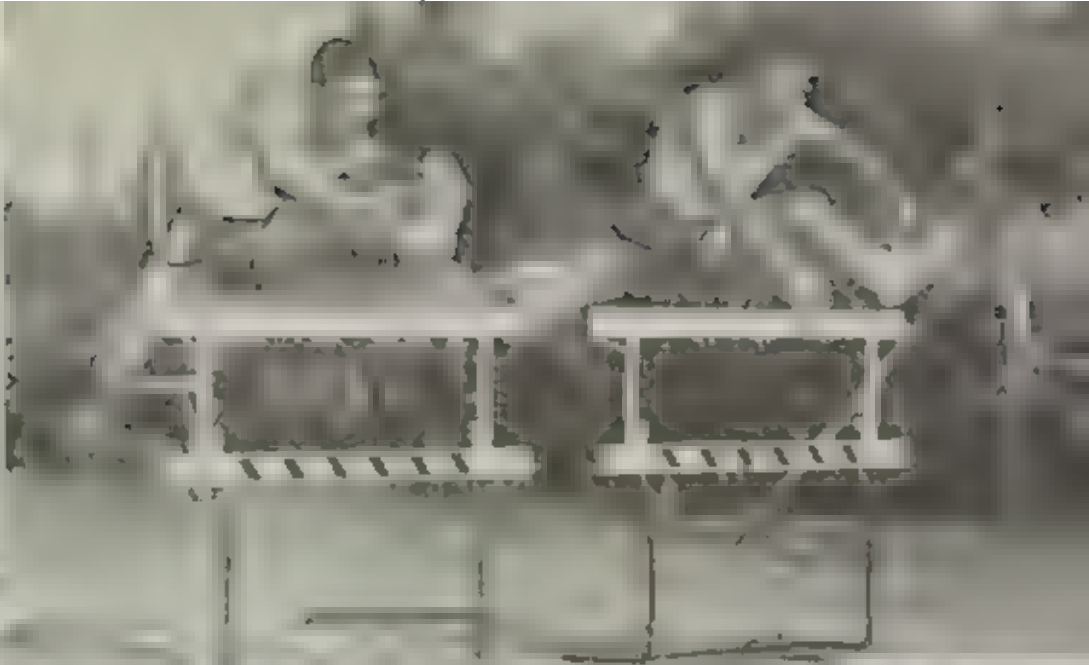

A lot of hard work was the motto of this year's fine wrestling squad. Underclassmen and inexperienced dominated the line-up led by two fine co-captains, Jessie Eddy and Ken Roe. Although the team suffered many ups and downs, a tremendous team effort was put forth at the District Tournament at Rocky Ford and the Savages came home as District Co-Champs along with La Junta.

Lamar, led by district champions, Ken Roe, Jessie Eddy and Rick Brase, had a total of eight men place in the tournament. From the eight men, five placed either first or second at District and represented Lamar at the State Tournament. These fine wrestlers were Kenny Roe, 112, Richard Garcia, 127; Jesse Eddy, 154; Ricky Brase, 165; and Dan Godinez H. W.

Savage Wrestlers in the top picture are Dan Godinez, Dean Graubeger, Rick Brase, Jessie Eddy, Ron Pultz, Tom Schulz, Bill Reish, Ray Jara, Pete Sipes, Ken Roe, Ernest Castro and Brian Heath. John Hagerman and Richard Garcia were absent for this picture of Lettermen.

Pictured below are the same boys in black suits plus future grapplers Albert Dieterle, Tom Idler, John Brown, Dan Scriven, Con Rees, Don Duewall, Dee Scriven, Teddy Searl, Rod Priesser, John Hagerman and Kerry Lamle. Eric Lilljeberg was the squad trainer. Mr. Don Hastings was the Savage Wrestling coach.

## State AA Track Champions

The Savage Track Team, coached by Mr. Dick Gearhart, opened its season March 25 with forty-five boys reporting. Meets were held in Alamosa, Rocky Ford, La Junta, and Pueblo. There were four meets held in Lamar.

The highlight of the season was when the Savages won the Southern Colorado League championship and won the Class AA State Crown. Two boys won individual honors winning state titles - Roger Morris in the 440 yard dash and Bill Milne in the pole vault.

Thirteen boys were awarded letters: 4th year - Roger Morris, 3rd year - Don Long and Jessie Eddy, 2nd year - Bill Milne, Bill Broyles, Ricky Brase, Ricky Bryson, Carl Shinn, Bob Weatherred, and Captain-elect Larry Manning, 1st year - Kenny Jones, Roger Nolder, and Jack Smith. Larry Hartmann was awarded a manager's letter.

Shown with the State AA Track Championship trophy are Larry Manning 1963 Captain-elect and Roger Morris 1962 Captain.

Managers Tom Schulz and Ray Jara kept track of the balls, bats, jackets, etc., as well as kept the statistics on all the games.

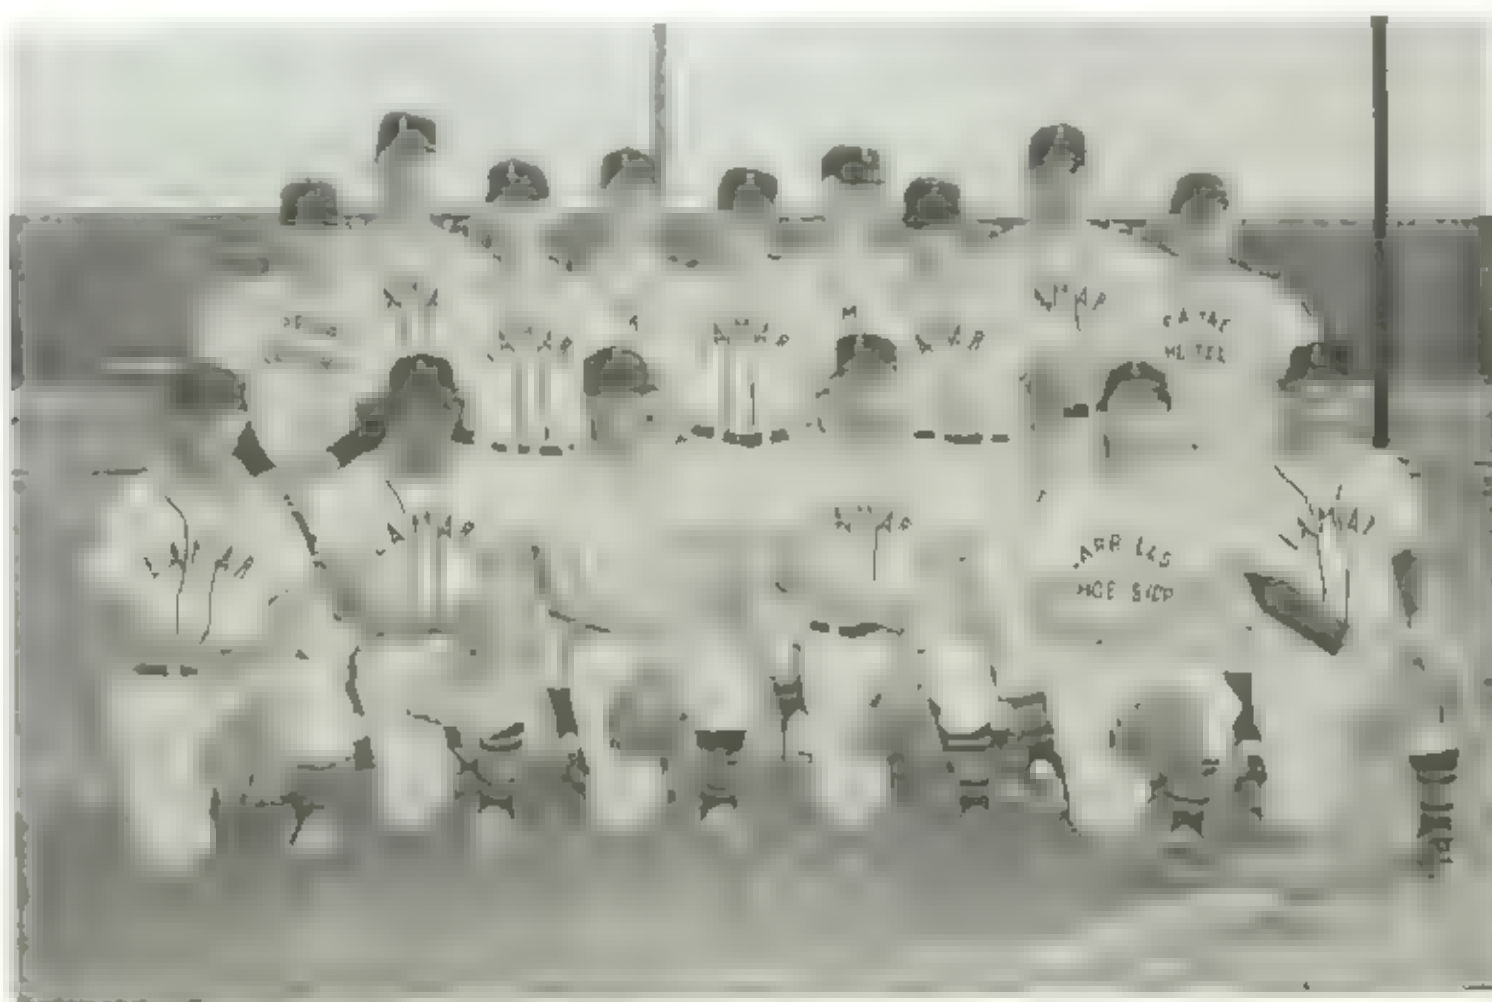

## Second Best in the Southern Colorado League

The Lamar Savages dropped a notch for the first time in six years and ended the regular season in second place.

They opened the season winning four straight before splitting with Las Animas, and then the next week took it on the chin by losing two to Rocky Ford. This dropped them into second place.

The worst loss record for the Savages was good though, 9 wins-3 losses, and showed championship form. Several seniors including Homer Strain, Moe Vallejos, Frank Oviedo, Jamie Oxley, Harold Smith and Ray Gilbert will graduate from this fine team and leave little experience for next year. However, shanked with much needed new uniforms and the courage, determination, and will of the Lamar Savages, anything could happen.

## 1962 Golf

Six boys participated in golf reporting for practice on March 26. We felt that our season was quite successful as we placed second in the league with six teams competing. We defeated La Junta, who won the league, in the first match, and this had not happened in three years. There was no state tournament this spring so our season ended May 13, with a match at Rocky Ford.

The participants in golf for the 1962 season were Phil Harper, Woody Railey, Lanning Likes, Alan Berkby, Jan Grace, and John Emick. Mr. Larry Pearson coached the golf team.

## ACTIVITIES

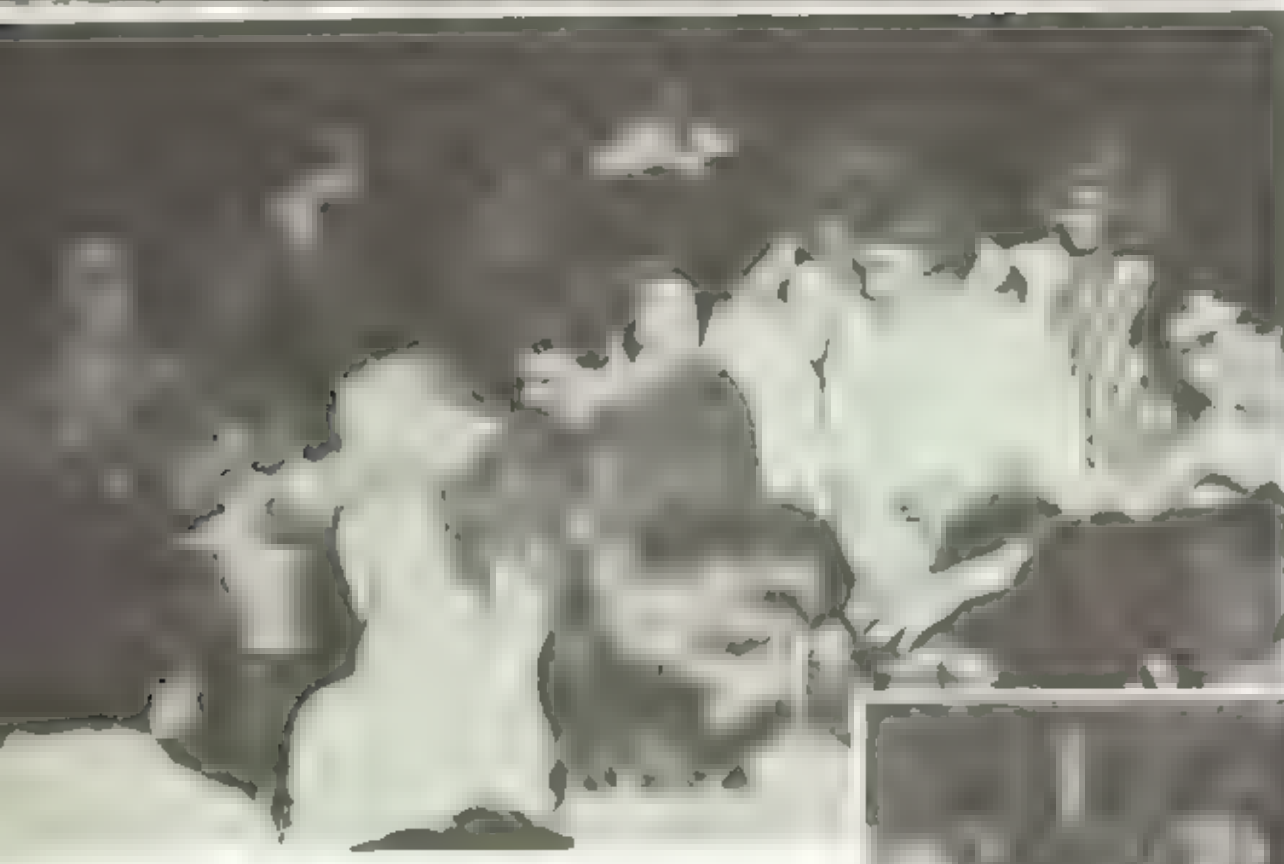

# LHS Memories

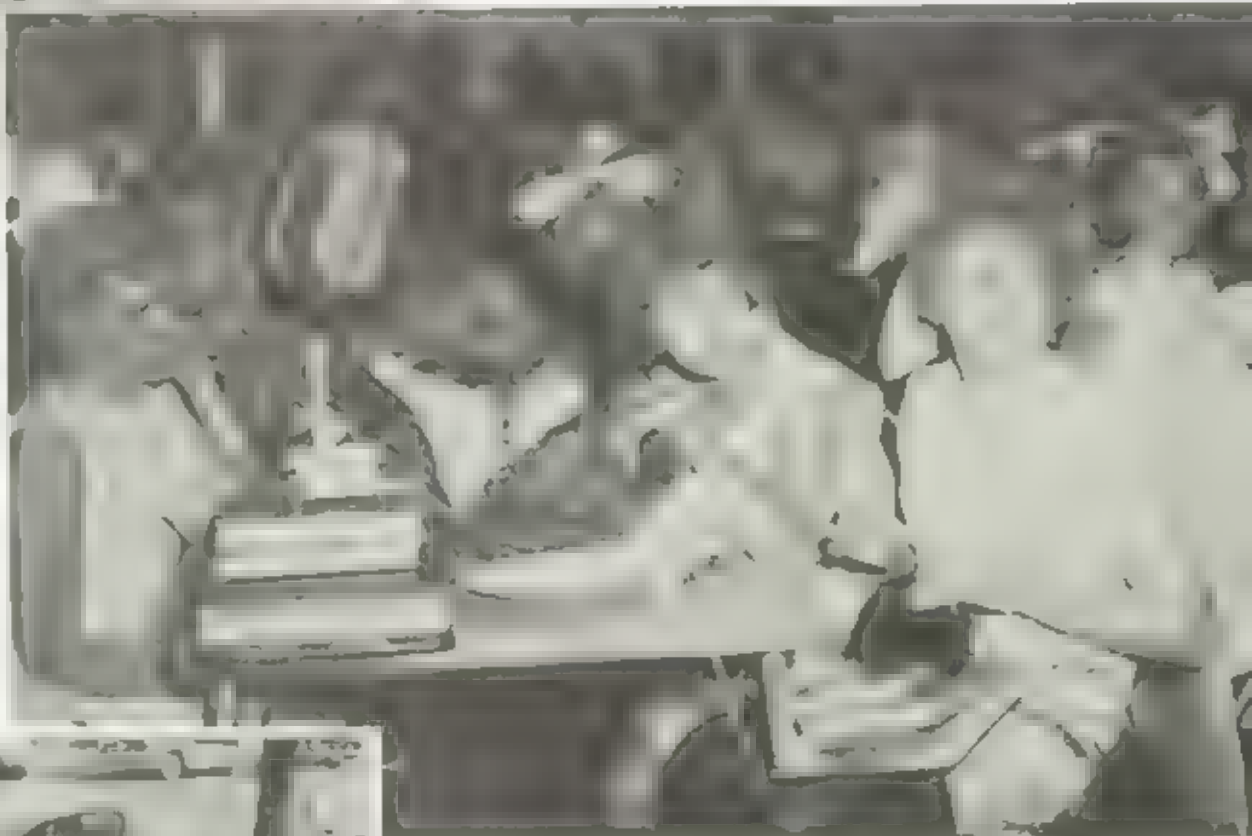

Yes, I remember that year of 1961-62. It was full of exciting events and happenings. The doors of LHS opened to one of the largest group of students ever to enter.

The auditorium was no longer big enough so the Community Building served as our first meeting place.

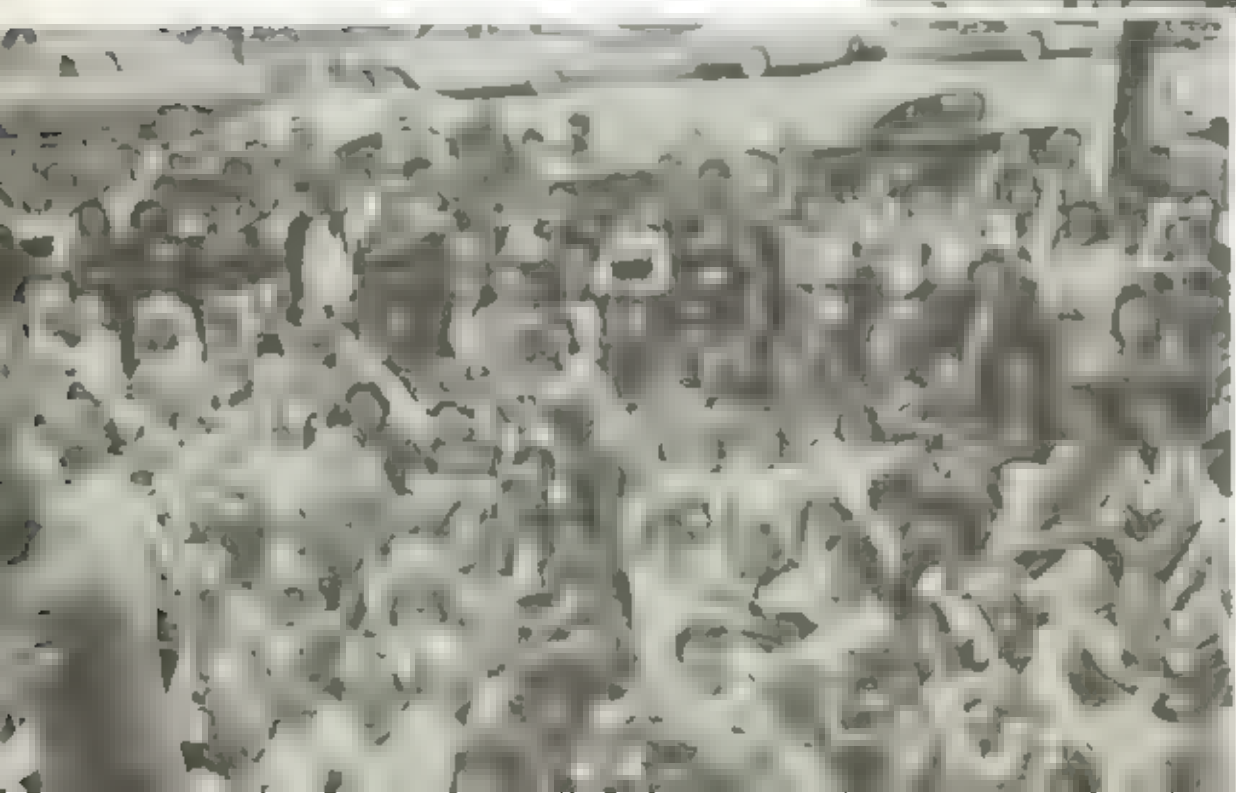

Even before the first day of regular school, activities had started. The annual signing on the lawn and the party held in the evening loaded our yearbooks with memories.

Tom Shinn and Feona Smith were crowned the King and Queen of the Freshman Class during initiation ceremonies. What a riot!

The Big and Little Sister picnic was held in the park and was a complete success. Games, food, and good friendship made it an evening to remember.

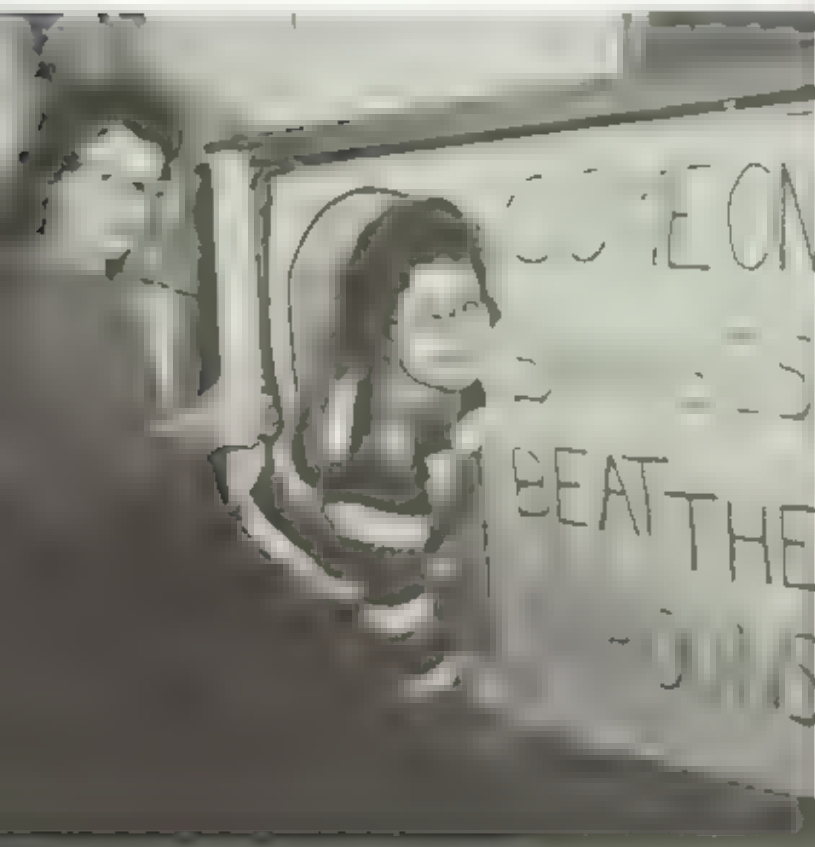

The cheerleaders and Mr. Geringer are having a gay time with the LaJunta Tiger mascot on a string.

Kay, Linda, Marsha, Melinda and Janice pose for the camera.

Activities were quickly organized and football season was well on its way. The cheerleaders worked hard and the twirlers matched. The halls were filled with signs urging the savages on to victory. Pep Assemblies were held on the lawn and the noise aroused the whole town, we hope!

The Pep Club was always there to cheer the team--win or lose.

Could it be that our champion football team was a little bashful at times?

## Homecoming 1961-62

It would be impossible to name all of the activities but one of the most treasured and remembered was HOMECOMING. As the Savages broke through the teepee made by the Pep Club girls so they broke through to Victory over Rock Ford.

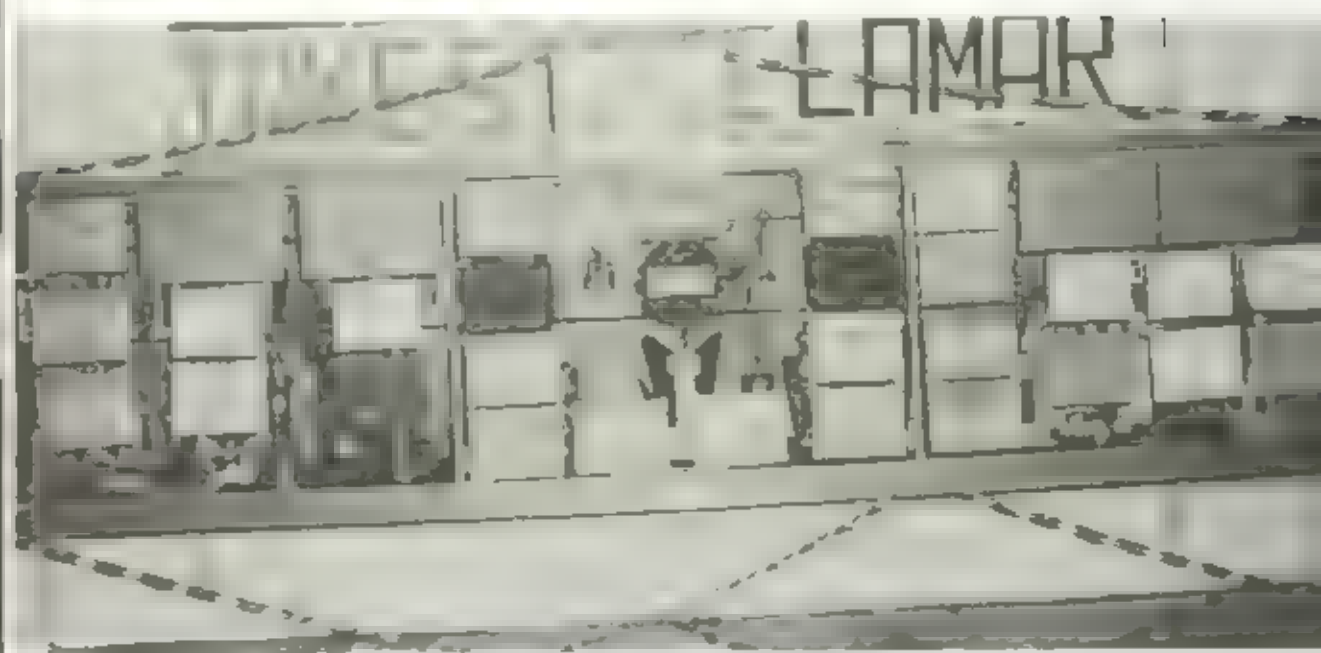

Our lovely queen, Elaine Ellenberger, and her attendants, Dianne Lavender and Linda Etter, reigned over the event. Spirit ran high through the entire festivities. The Big Pep Rally stopped traffic and the free show at the Lamar Theater is always appreciated. A successful game and the wonderful dance completed our Homecoming activities for this year.

Gee, that Rick Brase looked pretty rough as he hurdled through the air. Just look at that line-up of champions of which we are all so proud.

Signs and orange and black streamers took over the halls as we prepared for State. Mr. Dummy hung as a reminder to all of us that we were the minority savages on our way to State.

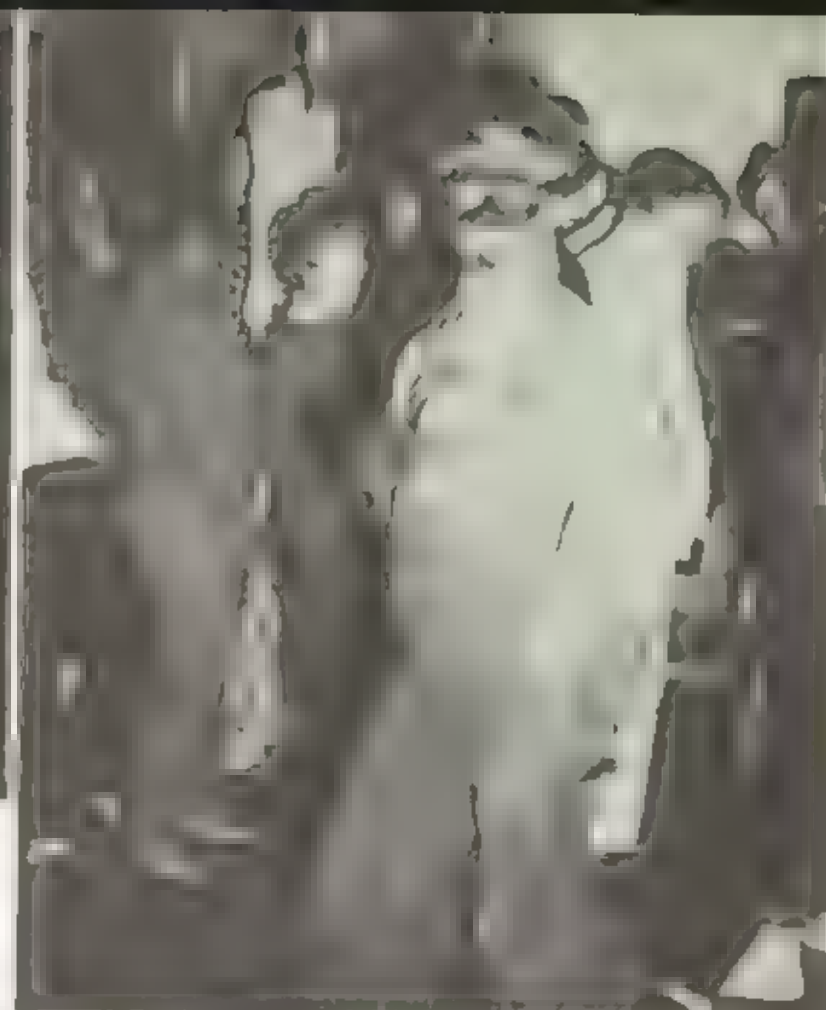

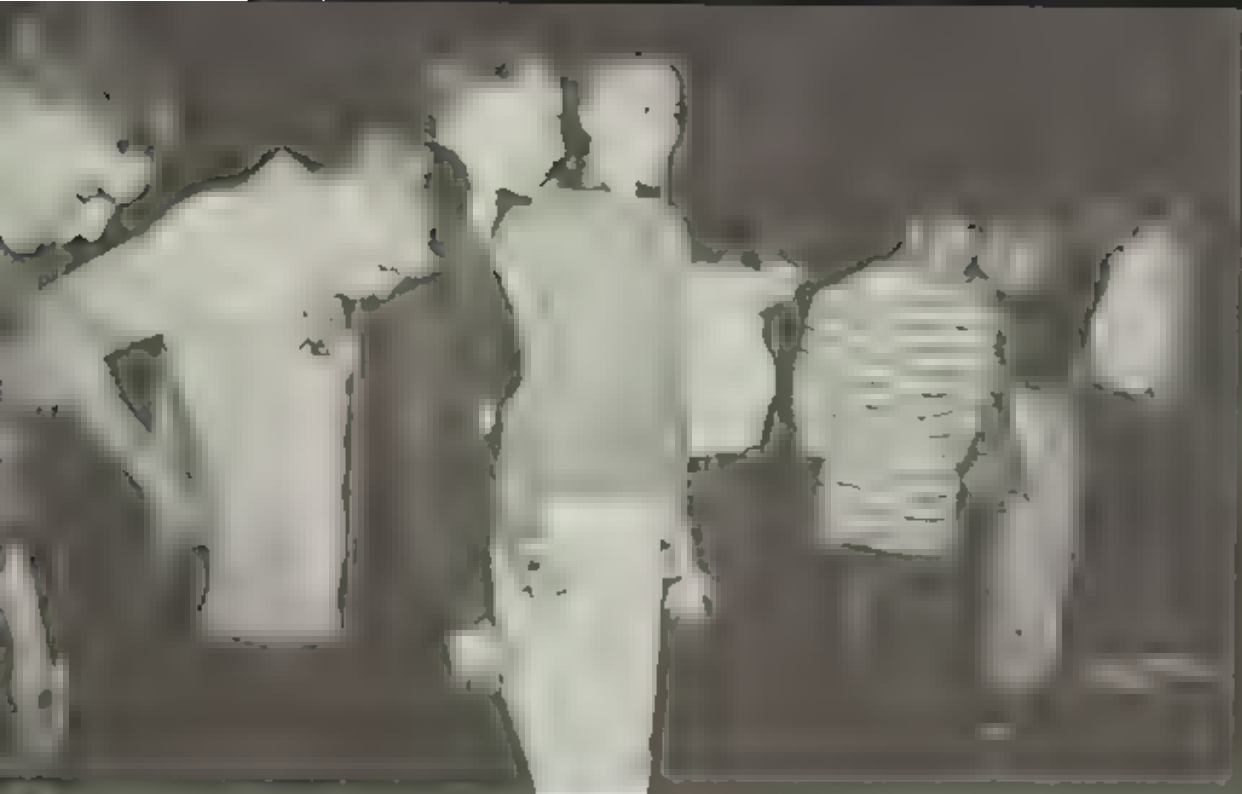

We were very fortunate to be represented at the Student Council conference by Linda Etter and Rick Brase. Linda brought honors to LHS by being elected State Secretary with Terry Reyher from Wiley and Gary Halstead from Aurora as President and vice-president.

As the clock ticked away the minutes so did the days tick away - could the girls be tempting Mr. Coffman to ring the bell early?

Book covers were sold and right at the moment it appears that Connie and Sylvia don't have much business. And there is one of our cutest couples in their favorite place.

A halloween dance offered much fun as well as odd-looking creatures. Entertainment for the evening included a balloon stomp, bobbing for apples, playing musical chairs and dancing. Oh, yes, and there were also eats.

The TWIST hit Lamar and stayed. At one of the dances held after the games it got its start and continued on through the year to add highlights to the prom. Come on, Ronnie, try it.

Who's the Mummy dancing with this good looking girl? Could it be Bill Walker and Chris Springer who came to the dance looking like this?

#### BEHIND THE SCENES AT THE JUNIOR PLAY

The junior play directed by Mr. Earl Bradley with Micky Bosley as student director was presented to a large audience.

Is it that bad, Allen? Sandy doesn't seem to mind at all. Linda, cast as the maid, seemed to have a strong feeling towards that pillow. Was it to be used as padding for the football suit?

The play could not have gone on without the stage crew composed of Lonnie Bever, Terry Mills, and John Simler.

# Time Out for Ginger Junior Class Play

TIME OUT FOR GINGER, written by Ronald Alexander and presented by the Junior Class, was a sparkling, modern comedy enjoyed by all. When Howard Carol, the progressively modern father of three teenage daughters, who was very aptly portrayed by Ron Adams, makes a speech to the high school students expressing the rather radical belief that "no one should be forced to do anything he doesn't want to do," some of the hilarious consequences were: His two older daughters, Joan, played by Sandy Sipes, and Jeanne, played by Peggy Fuller, attempt to abolish gum for girls, his youngest, tomboyish daughter, Ginger, played by Janese Hazel, joins the football team, and Howard almost loses his job.

The Carol's maid, played by Linda Etter, offers some hilarious comments as she stands behind the Carols wholeheartedly. Agnes, Howard's wife, played by Joyce Harker, tries to be understanding and attempts to take the whole proceedings with a grain of salt. Eddie Davis, who is the school's star athlete played by Alan Barkby, is much out out by Ginger's athletic prowess, and Tommy Green, Ginger's scholarly boyfriend played by John Simlar, is much embarrassed by it.

Mr. Wilson, the high school principal played by Eugene McGinnis, and Ed Hoffman, the bank president and Howard's boss played by Jack Gamble, are irritated and antagonized by the effects of Howard's speech.

Santa had a surprise for one of the three girls, and it turned out to be Mary Rose. She reigned as Miss Merry Christmas and her attendants were Sherry Statler and Marsha Cook.

School could never be school without activities, but then it could never be school without studies. Three bookkeeping students are shown working seriously on their practice sets. These Physics students seem to be concentrating, as Tim reaches for the weights. Mrs. Beavers gives instructions in clay modeling as Gloria, Judy, Liz and Sue watch.

Our Wrestlers traveled to both district and state tournaments bringing honors home to L. H. S. each time they journeyed.

Tressa substituted as cheerleader for Sandy the morning our wrestlers left for state. Am sure Sue was right there somewhere to help give them the send-off they deserved.

Coach Hastings gave a demonstration of the TWIST at a Pep assembly and Sue roared with laughter as we all did.

The referee signals a take-down for Dan Godinez.

# Valentine's Day Was

## Special

We shall all remember this special day when the "L" Club sold messages of love to all who had a dime.

Roger and Frank are shown sorting them for the very while the Pop-Meter Meter puts to the test. "Did you rate?"

The National Honor Society held its annual initiation for sixteen new members. This brought the total members up to twenty-seven. After the program the members and their parents were served refreshments by the homemaker girls. This is a happy occasion for students chosen to this honor.

The year of 1961-62 marked the organization of a new activity. The gymnastics group, sponsored by Miss Burnett and Mr. Corbett, performed at half time for several basketball games.

**GIRLS' INTRAMURAL BOARD** - Lynette Brooks, Linda Etter, Liz Painter, Sue Henry, Sue Midkiff and Karla Thurow.

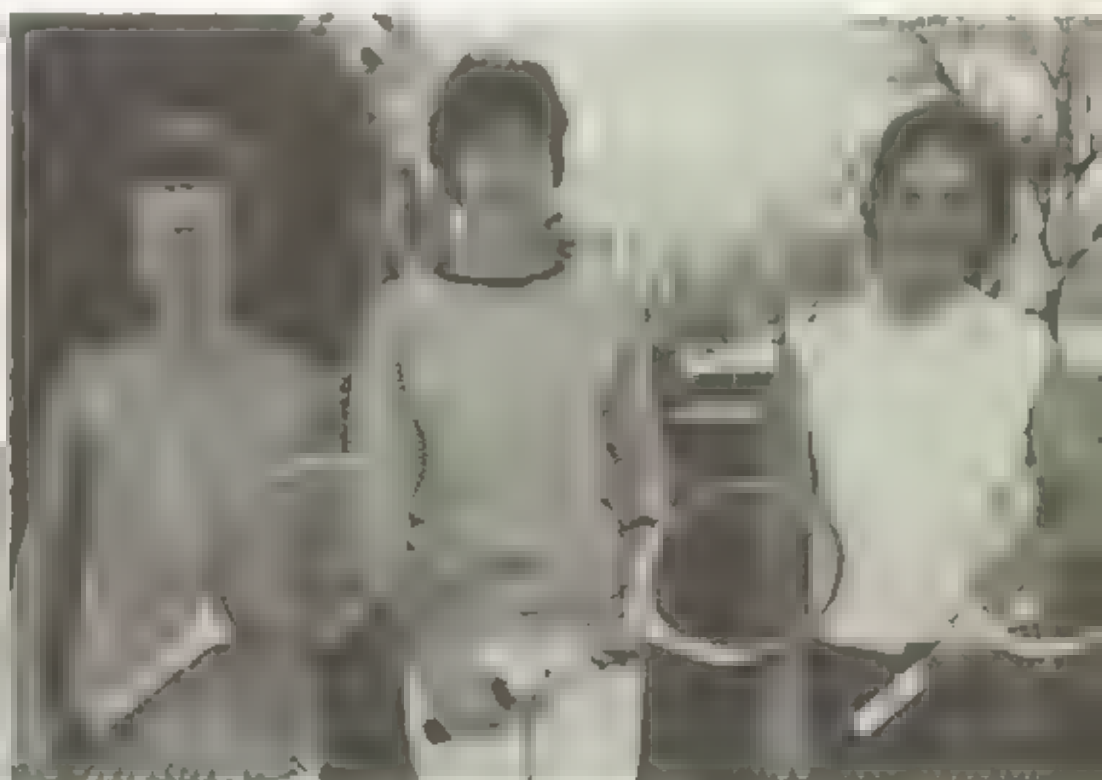

#### ALL SCHOOL INTRAMURALS

Miss Jimmie Burnett and Mr. Pat Cornell sponsored the intramural program. The girls' program was governed by the board pictured at left. Both the boys and girls participated in basketball, volleyball and softball competition. The girls took part in a tennis tournament and the boys had several bowling teams.

The teams that placed first in basketball, tennis and bowling competition are pictured below.

**BASKETBALL** - Judy Quinn, Jaynese Higel, Joyce Gordon, Elaine Eilenberger, Sue Midkiff and Linda Etter. Christina Bridge and Nancy Anderson were absent.

**TENNIS** - Jaynese Higel, Penny Kendal, and Liz Painter won the tournament.

**BOWLING** - Eric Lilljeberg, David Williams, Steve West, Tommy Thompson and Terry Stephens.

**BASKETBALL** - John Munez, Ernest Castro, Raymond Alba, Jesse Camacho and Joe Adame. Joe Camacho was absent for the picture.

The big smiles on Jenny and Jackie's faces could very well have represented the whole school for everyone cheered "Take State" as the mighty Savage basketball team won their second straight District Championship.

Coached by Mr. Don O'Hare the Savages captured second in State. (Wonder what Mr. O'Hare is so excited about - his "crying towel" is right there over his shoulder.)

Make that point, Frank, we always need another score.

## Halls of Ivy — Athletic Dance Theme

The Athletic Dance sponsored by the Pep Club in honor of all the boys out for sports was a gala occasion. Basketball queen Jennifer Bray with attendants Elaine and Paula, Wrestling queen Sue Midkiff with attendants Bev and Jean, and Athletic King Roger Morris with attendants Moe, L. D., and Randy all received their crowns and gifts at the occasion. The recreation room was decorated with ivy and, as usual, this was one of the nicest affairs of the year.

A Springfield orchestra furnished live music. To further carry out the theme Betty Read sang "Halls of Ivy." After the program and crowning everyone was ready for refreshments of punch and cookies.

# The Little Dog Laughed — Senior Class Play

Laurie Huntington (Sherry Statler), a scantily enlightened sophomore psychology major, arrived home for summer vacation just in time to complicate her whole family's existence. By diagnosing her mother's friends at a tea party, she seemed to lose her father Sidney's (Kent Williams) chances for an auto dealership, to destroy her mother's (Elizabeth Painter) social standing, and to end her brother Wally's (Ray Gilbert) love life. She even convinced Gus, the maid, (Mary Rose) that she had an I.Q. of 210 and should enter college. Joan Wood (Diane Lavender) daughter of Ted Wood (Phil Harper) - Sidney's worst rival - was Wally's sometime girlfriend. She and Wally driven by desperation, used Laurie's master plan to bring her mother (Nancy Anderson) and father and his parents together. The final touch was added by Laurie's return from the YWCA whence she had fled when her family tried applying psychology on her. And fortunately, Gus's man - Horatio P. Honeywell (Wayne Williams) - convinced her that she should forget college and marry him, adding that happy couple to the one completed by Laurie and Mark Bradford (Lanning Likes). The ladies at the tea party were Annena (Ellen Baker), Caroline (Sue Henry), Grace (Betty Read), Walma (Penny Kendall), and Therese (Martha Carpenter.)

Behind the curtains of the senior play many funny things happened. Mr. Braden, who helped the stage crew set up the flats, doesn't seem to be as amused about it as Scott, Russ, Nicky, George and Harold.

Directed by Miss Jean Madden and Marsha Havers, the play was a complete success.

Liz, Mary and Kent seem to need the services of the entire make-up crew and Miss Madden to be ready for their entrance.

Ray got a bad sort of laughing. Mrs. A. took Dianne's part one night at practice.

Concluding the year's activities was the election of Head Boy and Girl. Candidates were Rick Brase, Gerald Dellinger, Randy Eddy, and Bill Milne for Head Boy; Carla Thurow, Sandy Sipes, Sue Midkiff, Jackie Guihen, and Linda Etter for Head Girl; Tressa Moor, Nancy Henry, and Sylvia Holdren for Secretary; and Tom Shinn, Sherry Railey, Judy Quinn, and Teresa Brantly for Treasurer.

In the final election Rick Brase was chosen Head Boy, Carla Thurow Head Girl, with Tressa Moor, Secretary and Tom Shinn, Treasurer. We all will do our best to support our chosen student body officers.

The Spring Arts Festival was held at the Community Building. A style show, an art exhibit, an industrial arts display and instrumental and vocal numbers made the program very successful. Mr. Demas, Mrs. Beavers, Mr. Geringer and Miss Fincham, who was not pictured, were the sponsors of the festival.

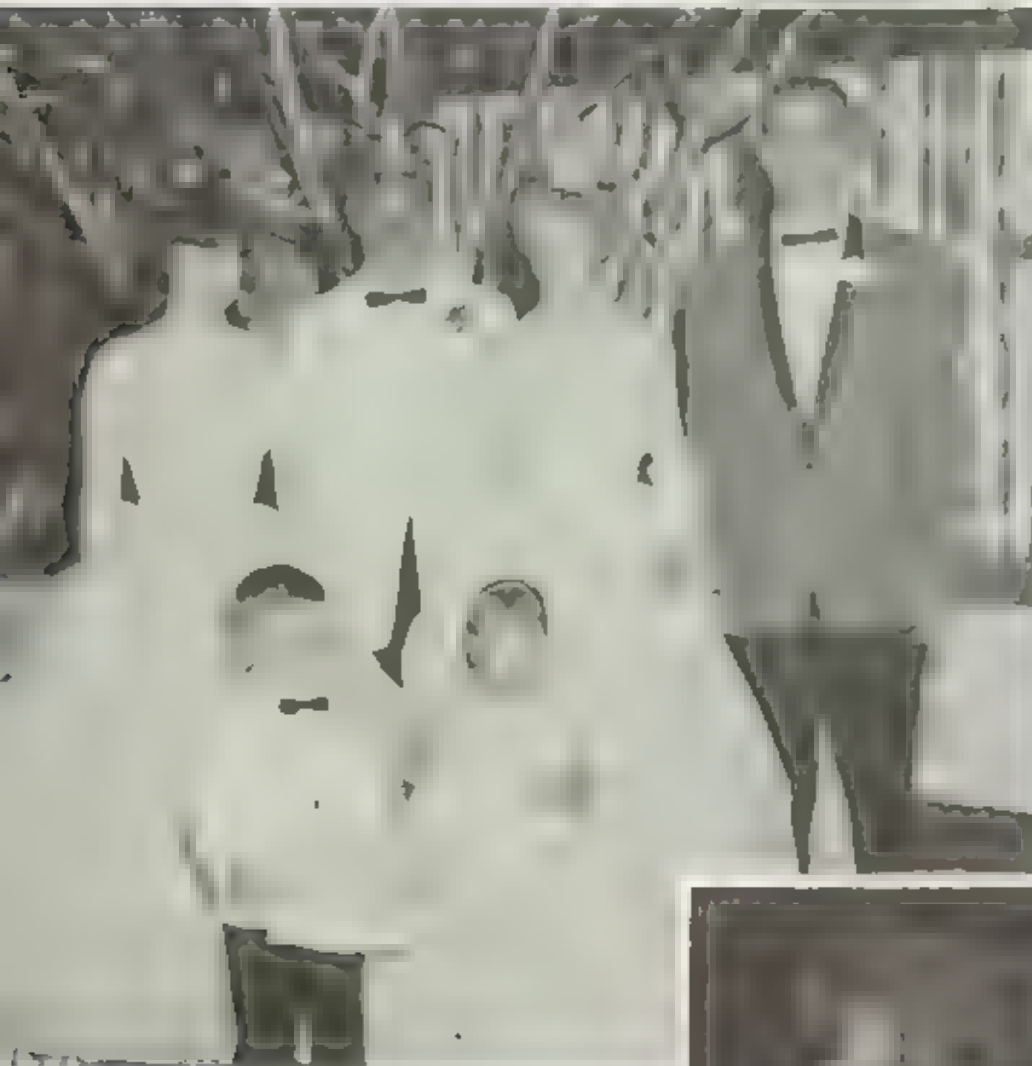

# Junior-Senior Prom

"Raintree County" was the theme of the 1961-62 Prom. The Legion Hall was decorated in blue with gold crepe paper and a beautiful golden raintree spreading its branches over the crowning of the royalty. Mary Rose and Carl Shinn were the Queen and King with attendants Liz Painter, Judy Reyher, Ray Gilbert and Bruce Heath. The Joe Montoyo Band played music throughout the evening, while many couples danced in the twilight-lit room.

Sophomore Tom Idler ushers Bev Hallock into the Prom.

Royalty Mary Rose and Carl Shinn were crowned by Rick Brase and Darla Bundy. The procession was led by little Twyla Bundy and Terry Page.

Refreshments were served by the sophomores who were dressed as Aunt Jemima and Old Black Joe and not since George Washington had there been so much talk about one tree. It was a glorious end to the high school year for the seniors and surely something for the juniors to look forward to when they will be entertained.

## “L” Club Picnic

Cold, windy weather did not stop the fun at the “L” Club picnic. They’re much too busy making faces at the camera and eating sack lunches to notice. Later everyone went to the high school auditorium for a hilarious program put on by the “L” Club boys.

They ended with nostalgic songs dedicated to the Pep Club girls. We all look forward to this picnic as one of the best activities of the year.

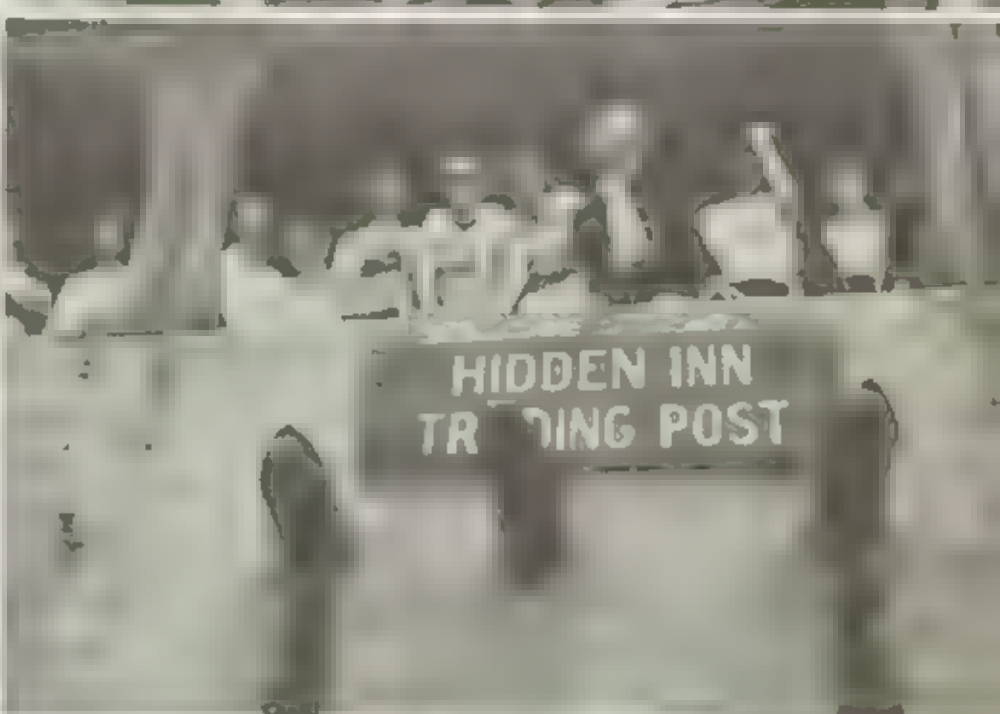

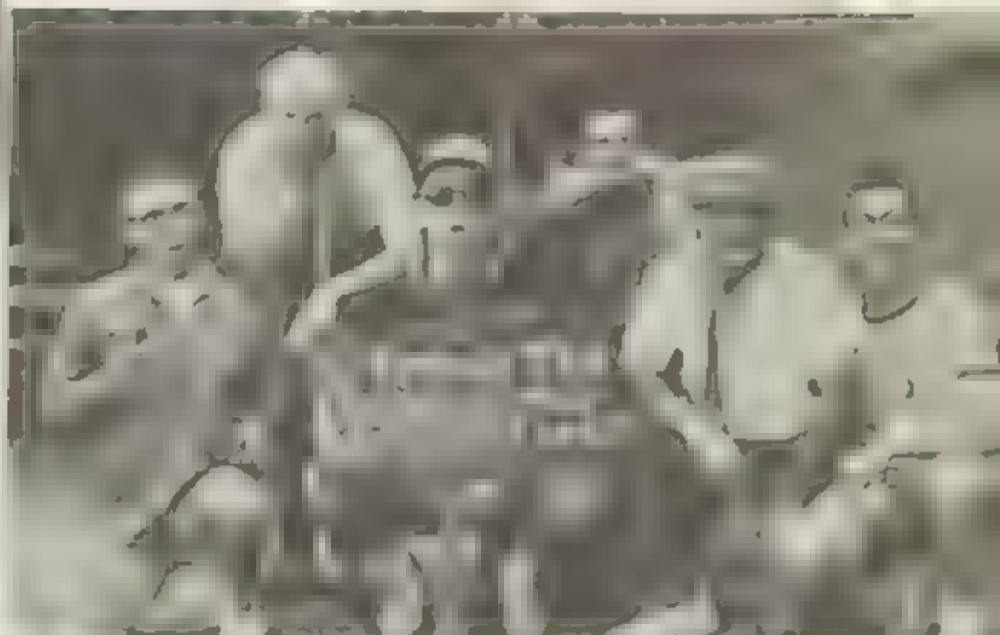

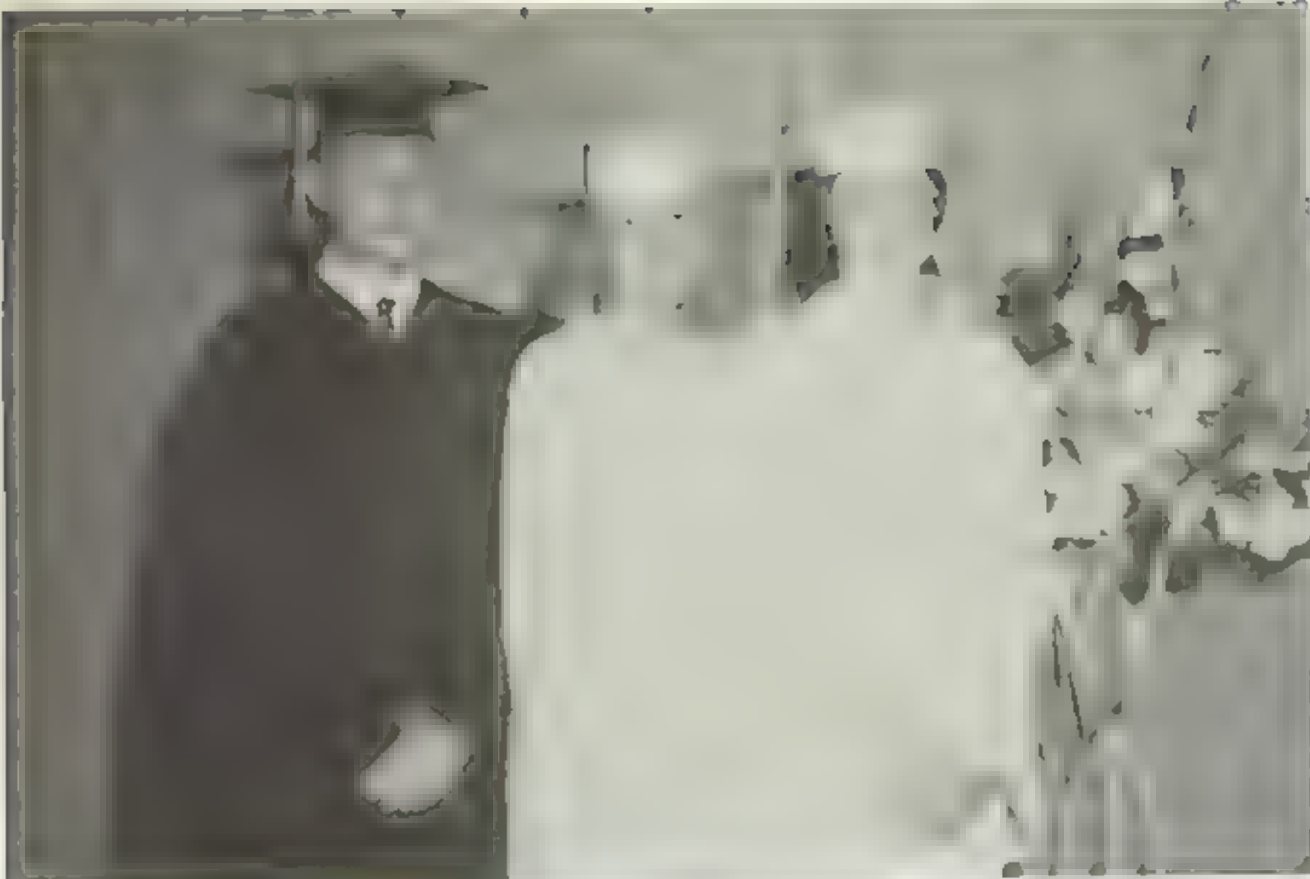

Third period Physics Class really had a blast watching comics on TV that very last day of school.

We couldn't wait for the bell that turned us loose for the All School picnic.

# Senior Trip

#### VALEDICTORIANS

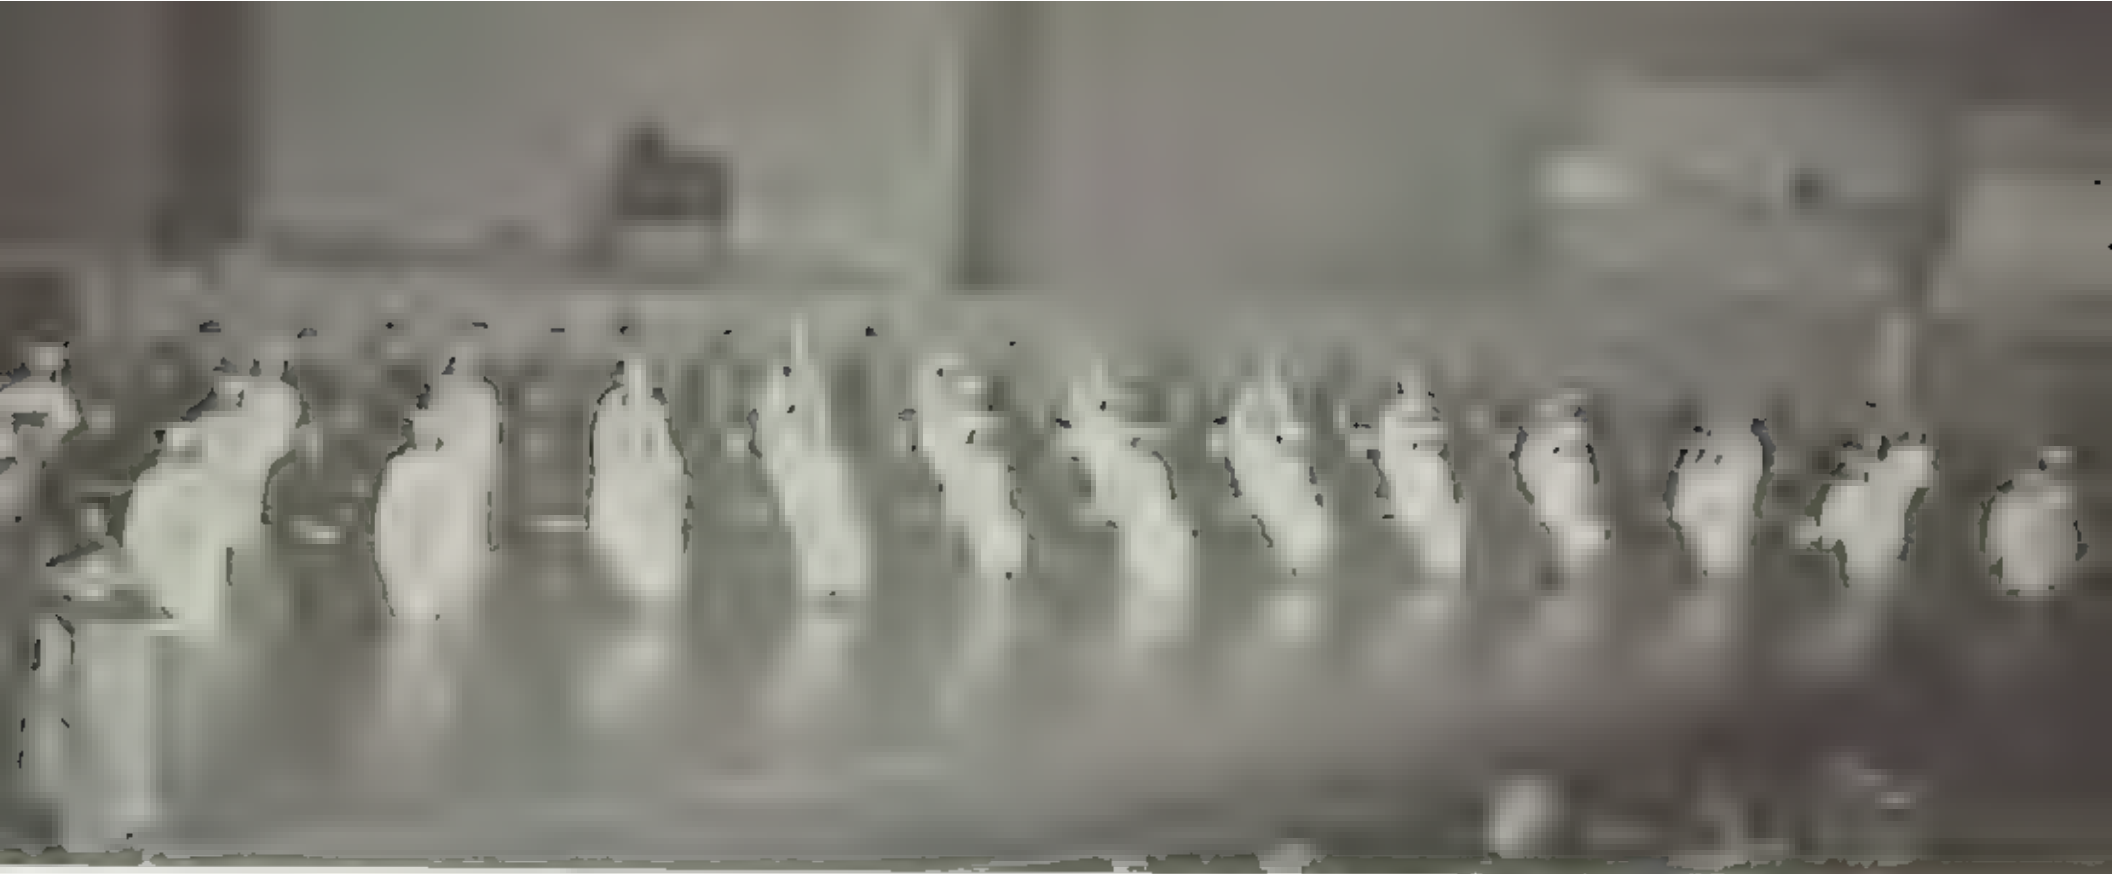

Carl Shinn, Judy Reyher and Penny Kendall tied for first place honors in their class with a grade point average of 3.96.

The Reverend M. E. Douglas gave an inspiring address for Baccalaureate entitled "Too High For Me." The Commencement address was delivered by Dr. W. L. McDavitt, President of the La Junta Junior College. He challenged the graduates with his address, "Power of Performance."
